Nanie,
This note is to my best friend reminding him of the pleasant and unpleasant (very few of these) experiences we have had together. First of all never forget all of the baseball games and sports events we've been in together. Never forget the back-yard ball games or the basketball games in the barn. As for the bad experiences, when I was with you there wasn't too many. The only part of CHS that I hope you forget is that "crummy" Spanish I class. Good-luck forever.

a good friend

Foreign Student

Mary Ortega

Maria Eugenia Ortega Salamania, our current foreign exchange student, was born December 29, 1947, in Los Andes, Chile, a city of 50,000. Her family consists of her father, a clerk in an office machines store, mother, a licensed mid-wife, four brothers, and three sisters.

Mary, who is taking a full load of subjects at Chesaning High, will graduate from high school in December, 1966, at Los Andes. She plans to enter the University of Chile at Santiago to study medicine.

Mary, who is living with the Dayle Elsworth family of Oakley, has several hobbies including collecting classical records, basketball, swimming and volleyball.

We are glad that Mary can be with us this year and we hope that she enjoys her stay.

Tina Jagos was one of approximately 180 high school students from the state of Michigan to be selected to take a two-week workshop in Creative Writing at the University of Michigan last summer. Members of the high school English Department submitted Tina's name, and a committee from the University of Michigan made her one of the lucky recipients of this honor.

Dearest Wayne,

You are my friend (?).

I like you almost as much as I like myself. Consider yourself lucky [fortunately] to have a friend like me. (not many people do) Remember Biology class? How could you forget? You just had it yesterday. It could have been fun, too bad it wasn't. It's too bad you're not as great as me, then we could really be friends. Even though you're inferior, I still like you. (I've got a big heart). I'd compare our looks, but I don't want you to cry too much. (your nose might run) Well I've wasted enough time on you so ((buenos suarte y adios)). ¡cuidese bien!

Best Love,

Keith

Well Wayne, you are a great ole chap, and a marvelous pitcher and football player. I could be almost half as great as you but I'm just a little ole great ole wonderful me with my beautiful conceit. Good luck with everything. You need good luck on a lot of things. I think you'll need a lot of good luck on what you need good luck on. Well I think I'm running out of space! Best of luck to a real "69" great.

Wayne

← Yea Great!!

To an all-star basketball, football, and baseball star; I won't write anything else because we still have 3 more years here. See ya around Wino!

I just decided that I'm going to take up most of this page. Why? because I think I am intitled to it. I'll never forget those walks to algebra class and those drinks you bought me at the drinking fountain. Dont forget band and all those great times we had. Your one in a million Wayne so stay the way you are and maybe ~~we'll~~ we'll have 10 times as much fun next year. Oh! I forgot something don't forget Mr. Williams either (who could). Well its time for me to say good luck and all that rat. Well happy next year
